**ILTA Grain Inc. –Swift Current, Saskatchewan**

ILTA is pleased to announce the expansion of the Swift Current pulse processing facility. This expansion which will be undertaken over the next several months will double the capacity of the facility. Unloading and handling of incoming product will be streamlined and delivery times reduced substantially. State of the art processing equipment and handling equipment will be installed over the summer and early fall to ensure high quality finished product.

The railcar handling capacity will be increased from 8 railcars to 40 with the addition of track and car mover on the site.
